#### III. Agenda additions, deletions, and adoptions

#### IV. Reading and approval of minutes of previous meeting

Previous meeting occurred without a secretary in place, so no minutes were available.

#### V. Financial report and approval of bills

Financial documents were emailed by Treasurer Sherri Wilkinson and approved unanimously

#### VI. Audience and communications

No audience members were present

#### VII. Reports of officers and committees; Brew Fest, Wine Walk, By Laws, Directory

Brewfest: Currently set for 9/13. Josiah continues to work on organizing.

Wine Walk: Currently set for 8/16. Mustang Valley Winery in Lovell has agreed to be involved. We will use alcohol permits from Lisa's, Mustang Valley, and one other Greybull business tbd. Myles/Hailey will ask the town to waive the fee for these permits. Talyssa is working on bingo cards that will become part of the event to encourage movement among all business participating.

By-Laws: Consensus of those present is that the by-laws committee needs to be re-formed, with a particular mandate to look at the rules around elections.

## VIII. Old Business

### A. WIC Lease (Now want to go to month to month)

### B. See how Avery Howe is taking to her new position

WIC Lease: Myles motioned to shift the lease to a month to month arrangement at an increased fee of \$200 a month. Sherri seconded, and motion passed unanimously.

Outreach position: Avery was not in attendance to report, but sent an email update on May 21 to the board.

## IX. New Business

### A. Public Relations for the Chamber

#### 1. Push the three big things that we are doing this year and what we would like to do but are in need of volunteers to accomplish.

Discussed trying to get an article in the Greybull Standard about the move of the chamber to the museum—would Avery be able to do that?

### B. Time to turn in our Ads for the Directory

#### 1. Who can take over the Directory committee ( Josiah has done an amazing job with it so far but the briefest has been very taxing. If some one else could jump in and see this through to the end that would be amazing.) This would intel talking with Talysa Kline (TK2) about design and then good year printing in Cody about printing them. Then figuring out how to distribute them via EDDM or something else.

#### 2. Talk about the process of the final directory

Robby will investigate how much more work is involved with TK2 and Goodyear.

### C. 4th of July Fireworks

Myles reported that funds available allowed for purchase of fireworks for this year and next, in anticipation of price increases in the coming year. He is also looking for people and places beyond Lynn's to sell raffle tickets.

### D. Little League Regional Tournament

??? I have a note here about signs at the ballpark, but not sure what else we discussed?

## X. Adjournment of Meeting

Meeting adjourned at 12:45.
